

# *Top Ten Reasons To Choose Cairns®*

# Top Ten Reasons

## 1 **Tube-Lock System**

This component is instrumental in assisting in absorbing the shock of an impact. This unique design is found only on Cairns helmets. It is part of our complete shock-absorbing system.

## 2 **Shell Release System**

A patented safety system only found on Cairns helmets. This design provides an extra margin of safety and protection for the user. Another innovative design from the leader in fire helmets.

## 3 **Crush-Zone Technology**

Unique feature designed into our brass front holders. Hollow brass fronts holders are engineered to help absorb an impact. Front holder is also light, reducing overall helmet weight and providing a better balanced feel.

## 4 **Thermal Protection**

Every Cairns helmet provides the extra protection of a thermal impact cap. A Cairns helmet with an impact cap is 66% cooler than a fire helmet that does not have a thermal impact cap. Protect an important part of your body from heat.

# To Choose Cairns

5

## **Impact Protection**

Only Cairns offers the most complete system for absorbing an impact. Components work with each other to provide the optimum balance of performance and price. The complete system involves the helmet shell, impact cap, tube-lock and suspension straps.

6

## **Quality**

Cairns helmets are known for their quality from design to manufacture. Compare and “feel” the difference of our 100% handcrafted leather helmets to the durable hardware, and components used on all our fire helmets.

7

## **User-Friendly**

Routine maintenance is easy and fast with Cairns helmets, from easy-to-remove headband liners, to the use of minimal parts in helmet construction.

8

## **Selection**

Cairns offers the most complete line of fire helmets — from leathers to composites to thermoplastic. Just ask for your favorite style.

# Top Ten Reasons To Choose Cairns

9

## Warranty

Cairns supports our product with a 5-year shell replacement warranty and additional lifetime coverage on components. We lead the way with this warranty.

10

## Heritage

Since 1836 Cairns has been designing and manufacturing quality fire helmets. No other helmet manufacturer has our experience and history in fire service.

*At Cairns, safety is our tradition.*

*So choose Cairns for the ultimate reason — YOUR safety!*
